A PICTURE OF POISE

*...the most beautiful things in life are not seen, but felt. It is the love that we give and receive, the joy that we share, the peace that we find in the quiet moments of our lives. It is the simple things that make the most profound difference. It is the love that we give and receive, the joy that we share, the peace that we find in the quiet moments of our lives. It is the simple things that make the most profound difference.*

*The is India in  
beauty, in spirit, in  
heart, in soul, in  
But his beauty is as  
big a rage abroad as  
it is at home. In the  
roads of London, in  
the waters of Venice,  
in the ports of the  
Middle East, in  
the highways of Per-  
sia, his name is re-  
membered with fond-  
ness and with glee.*

# PORTRAIT OF LIFE

*That's your character  
and you are a  
reflection of all the  
goodness which made  
this a special. You  
infuse beauty into  
the world around  
you, and beauty  
into the street, the  
market, the park,  
and you smile. How  
can you be blamed  
and someone says  
and someone says  
and someone says  
everything around  
you*

THE  
SOLAR  
DEITY

*"We look at you and the  
world is brighter. To think  
by chance, by design, by a  
hand unseen, that the world  
was there, was made, as  
they say, for you, they  
don't know how to plan that  
out, and you are the  
center of the universe."  
— C. S. Lewis*
